

YES! Awards PowerPoint Presentation INSTRUCTIONS

Required slides include:

1. **Cover slide** (see *example slide 3*)
2. **Team Introduction slide** (see *example slide 4*)
3. **Summary of Accomplishments, 3-10 slides** (see *example slides 5, 6 and 7*)

These slides will be a *visual representation* of your “Summary of Accomplishments”, as written in your Final Report, depicting all of your team’s work and activities this year..

Examples of visuals to include:

- tools/resources used (education kits, displays)
- promotional efforts (posters, announcements)
- responses from community members or fellow students (surveys, newspaper articles)
- your team “in action”!

Please include a descriptive caption with each of your visuals

Types of visuals that may be included in the PowerPoint:

website screen
shots

photos

tables/graphs

newspaper articles

embedded videos

Visuals in this PowerPoint are expected to be your team’s own work.
For example clip art, stock photos and external videos will NOT be accepted.

Please use the following PowerPoint template to fill in your team's information and add additional slides as needed.
