

# YES! Awards PowerPoint Presentation INSTRUCTIONS

## Required slides include:

1. **Cover slide** (see *example slide 3*)
2. **Team Introduction slide** (see *example slide 4*)
3. **Summary of Accomplishments, 3-10 slides** (see *example slides 5, 6 and 7*)

These slides will be a *visual representation* of your “Summary of Accomplishments”, as written in your Final Report, depicting all of your team’s work and activities this year..

Examples of visuals to include:

- tools/resources used (education kits, displays)
- promotional efforts (posters, announcements)
- responses from community members or fellow students (surveys, newspaper articles)
- your team “in action”!

Please include a descriptive caption with each of your visuals

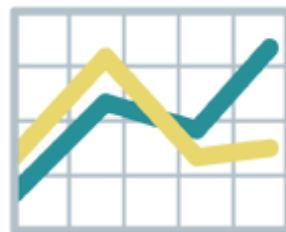

## Types of visuals that may be included in the PowerPoint:

website screen  
shots

photos

tables/graphs

newspaper articles

embedded videos

Visuals in this PowerPoint are expected to be your team’s own work.  
For example clip art, stock photos and external videos will NOT be accepted.

Please use the following PowerPoint template to fill in your team's information and add additional slides as needed.

**[Minnewaska Area High School]**

# WE ARE THE MINNEWASKA AREA HIGH SCHOOL YES! TEAM

- Our team advisor(s) is Linda Hoffmann
- [15] students were members of our YES! Team throughout the year

# OUR FIRST AWARENESS PROJECT WAS: "BLACK OUT" DAY OR MINIMAL USAGE DAY IN OUR SCHOOL.

**Slide 1= Sold reusable necklaces for a fundraiser, Slide 2- encourage our school to cut back on usage and Slide 3- had go green games during lunch time .**

## EXAMPLE SUMMARY OF ACCOMPLISHMENTS SLIDE 2

*Project #2 we collected over 220 pounds of christmas lights, copper tubing ect....*

# **“Black Out” Day Minnewaska!**

## **January 17, 2012**

*This was the advertising in the school bulletin. No paper was needed.*

**A little bit goes a long way!  
Unplug and Conserve  
in your area on this day!**

**8:20 a.m. January 18<sup>th</sup>, 2012**

## **Start of our Go Green Day**

**Announcer- Go Green Team:** Courtney S, Gena, Cody

Announcing it's black out day give some basic conservation tips...

- 1) Shout out to the winter sports BB, GB, Wrestling
- 2) Introduced Go green Team
- 3) Fun Facts

### **1<sup>st</sup> Game- Saving the most wattage game during lunch**

5 teams of 2 people in each.

1)

One end of the gym...one is blindfolded other talks and weaving through the cones( circuit board)

Navigate through the circuit board to the boxes of wattages at the other end...g

Grab a balloon and navigate back to their generator. Until they go back and forth to get more wattage .

Hit by a short( dodgeballs) you are done.

Most wattage back into your generator wins!

**Needs:**

Cones, boxes ( 10), blindfolds, balloons, dodgeballs

### **2<sup>nd</sup> game**

**Accomplish 3 tasks to reuse, recycle, reinvent design.**

What team comes up with the first usable device wins.

**4 teams of 3**

**Empty water bottles**

**Rubber bands**

**Paper clips**

**Paper plates**

**plastic containers**

**funnels**

**hula hoop**

**coffee cups**

**ags**

**tape**

## **COMPOST BIN - GO GREEN TEAM!**

**Creation of Worm Compost Bin. Collaboration with the Ag. Dept and FFA. We are working with the school leaders and cafeteria manager to compost our breakfast and lunch foods. No meat but fruits and vegetables.**

**This picture is of planning the compost bin.**

# THE END

## YES! ENERGY ACTION PROJECT REPORT

Please e-mail your final PowerPoint to your YES! coordinator by April 9<sup>th</sup>.
