

YES! ENERGY ACTION PROJECT REPORT

Cedar Mountain YES Team

WE ARE THE CEDAR MOUNTAIN YES! TEAM

- Our team advisor is Jessica Rehak
- 8 students were members of our YES! Team throughout the year

SUMMARY OF ACCOMPLISHMENTS

Each day the food is collected at lunch time in two different containers, waste and food. It is then taken out and collected in a bin and then after 2-3 weeks brought out to the farm.

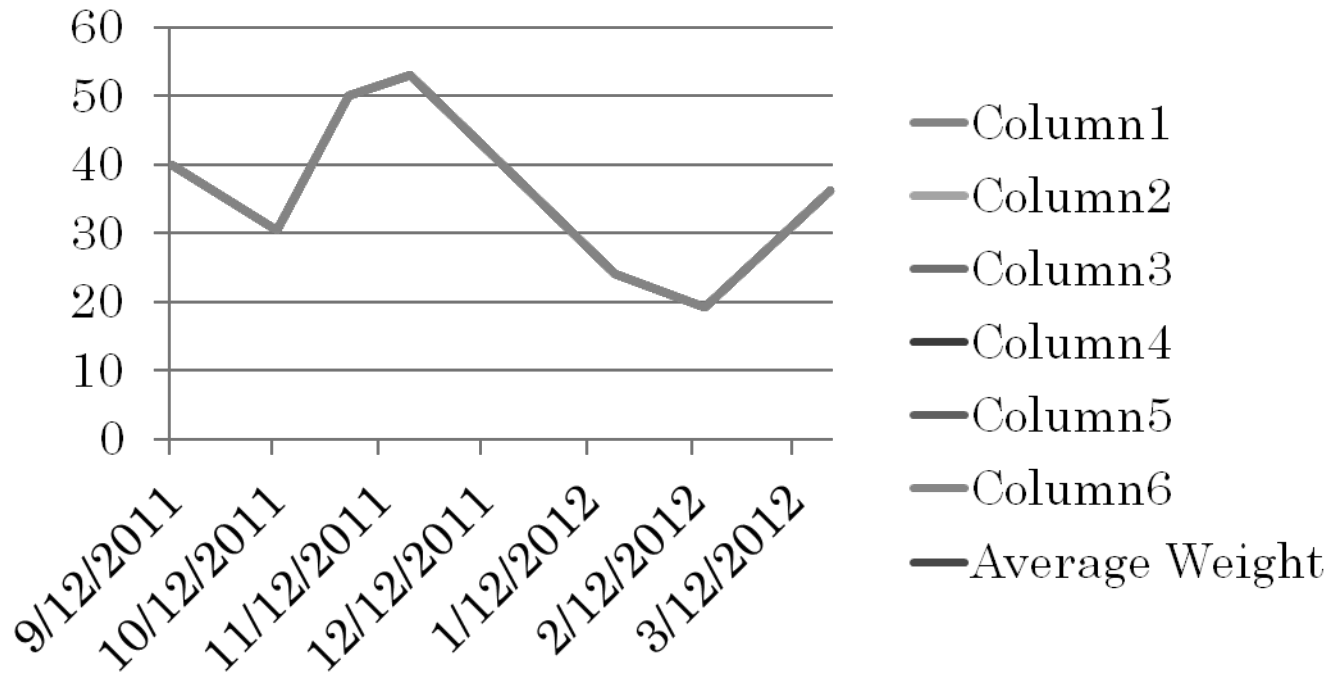

SUMMARY OF ACCOMPLISHMENTS

Once the food is loaded into the truck, Jonathan takes the food waste to Harvestland Elevator and weighs the food on the scale.

SUMMARY OF ACCOMPLISHMENTS

Insert School Name Here

This is a graph of the average weight over the dates that it was collected. The average weight was determined by the amount weighed divided by the days it was collected.
