

Update 6.3.2020

**Program Update** – We have completed our 13th season of YES!. A big THANK YOU to all of you coaches for making this program possible for your students. We will have an update in mid-July and then look for our next update in mid-August. Have a wonderful summer! ~Shelli-Kae Foster, YES! Program Director

**2020 State Award Winners – Congratulations** to all of the state championship award winners! The judges were very impressed with the body of work that was completed, despite the disruption of school this year. In fact, one judge state, “seeing what these young people can do gives me hope for the future.”
