How many students do you think will participate during the school year?

What is the format for your YES! team?

- Extracurricular club
- Integrated with another extracurricular club
- Integrated with an existing class
- As a stand-alone YES! class
- Other (please specify)

YES! 2022-23 Team Registration Form

Program Commitments

## Here's what the YES! program will provide for your team!

1. Education related to water quality, energy efficiency, waste reduction, renewable energy, local foods, land restoration, climate change, and more
2. Support from a YES! Coordinator and the network of YES! teams across Minnesota
3. Access to funds to offset costs related to the program such as transportation, substitute teacher fees, and project materials
4. Tours and workshops customized to your team's interests. This includes the opportunity for up to 10 students from your team to attend the YES! Fall Summit and YES! Winter Workshops (additional students may attend for a nominal fee)
5. Connections to experts and organizations for assistance with projects
6. Project-planning facilitation for your team
7. Assistance with planning and implementation of community events that highlight and support your projects
8. Tools, resources, and project guides to help you implement, measure, and monitor your projects

### As YES! students, coach, and sponsoring school/organization, our team commits to the following responsibilities during the 2022-23 school year:

***(check each box to indicate agreement)***

- Meeting regularly during the school year as a team
- Choosing meaningful hands-on action projects, developing an action plan, and working together to implement projects for our school and community
- Raising funds as needed for our community action project through local support (utility company, Rotary Club, Lions Club, green fundraisers, etc.)
- Participating in YES! events including the Fall Summit, Winter Workshop, and Spring Competition
- Arranging transportation or Zoom access for students to attend 1-3 events during the school year
- Branding ourselves as a YES! team (using the YES! logo; recognizing major funders in publications; etc.)
- Reaching out to our community through participation and/or communications for our YES! team activities
- Measuring and monitoring the impact of our projects
- Submitting our Final Report, Visual, and Project Expenses & Revenue Worksheet by the deadline in spring
- Completing YES! surveys and the Pre- and Post-Season Student Assessment
- Responding in a timely manner to requests or questions from our YES! Coordinator
- Paying the \$600 Team Registration Fee by November 1  
*(Unless you've requested a different payment arrangement, an invoice will be sent to your organization's business officer once your Registration Form has been approved by YES! staff. The Registration Fee helps YES! deliver customized education programs, hands-on events, and 1:1 support for teams. Some teams offset the cost by seeking a local sponsor, organizing a fundraiser, or implementing a student-participation fee.)*

Signature of YES! Coach *(Typing your name indicates you intend to fulfill commitments described above.)*

Date Signed by Coach

Signature of School Administrator or Lead Person in Organization (*Typing this name indicates the administrator has agreed to the commitments described above.*)

Date Signed by Administrator

After you submit this Registration Form, a YES! Coordinator will contact you to learn about your team and discuss next steps!

YES! is a program of Prairie Woods Environmental Learning Center in partnership with Ney Nature Center. Major support for YES! comes from the Minnesota Environment and Natural Resources Trust Fund (ENRTF), LYFT Career Pathways, the National Science Foundation, Clean Energy Resource Teams (CERTs), Waste Management, and others. For a full list of supporters and more information about YES! visit [www.yesmn.org](http://www.yesmn.org).
